

NEED STATEMENT:

HAITI – PROVIDE FACILITIES FOR COMMUNITY DEVELOPMENT IN THE COMMUNITY OF ZORANGE

DESCRIPTION: Builders International is in the process of this community development project. The project is planned to include a church, grade school, medical clinic space and water well.

BENEFITS: In a country where the unemployment rate is 80% and 88% of the population survive on less than \$2 per day, hope seems to be out of reach for many. These strategically placed facilities will enable this outreach to bring lasting change and hope to a community with great social and spiritual need.

COST: \$280,600. Cost reflects a school, chapel, medical clinic, well, bathrooms and septic system.

- School w/bathrooms – \$80,500
- Chapel - \$102,000
- Clinic - \$91,800
- Well - \$6,300
